## Try Before You Buy!

Take a 48 hour test drive of Freightliner's newest truck the Cascadia and Detroit Diesel's newest engine the DD15.

The Cascadia/DD15 combination make this the quietest and most fuel efficient truck on the road.

Take a '09 Cascadia day cab and a 455 HP DD15 for a 48 hour loaded test drive and see for yourself why the Cascadia/DD15 is helping customers "Drive Smart."
